Pop art: Pop art, art in which commonplace objects were used as subject matter and were often physically incorporated in the work. Pop art: Pop art, art in which commonplace objects were used as subject matter and were often physically incorporated in the work. Pop Art empowers enterprise businesses and manufacturers with digital asset management and user-generated content platforms, cross-platform mobile. By bridging high and low culture, pop art reflected America's own growing dependence and fascination with mass production and images of celebrities. By bridging high and low culture, pop art reflected America's own growing dependence and fascination with mass production and images of celebrities. Create the iconic Pop Art image like the one of Marilyn Monroe by Andy Warhol. Werbung Pop art is an art movement that emerged in Britain and the United States during the mid- to late-1950s. The movement presented a challenge to traditions of.
