La Congregazione per l'educazione cattolica, oltre a riassumere i punti essenziali delle norme che regolano il sistema degli studi accademici ecclesiastici, ha ritenuto opportuno, con questo volume, soffermarsi sull'importanza di promuovere una cultura della qualità, suggerendo a tal scopo una serie di orientamenti volti a delineare le attività che tutte le istituzioni accademiche religiose dovrebbero intraprendere o solo rafforzare per promuovere tale cultura. È un manuale di facile consultazione rivolto in particolare a quanti sono interessati e coinvolti nella ricerca, nella didattica e nella gestione delle istituzioni accademiche ecclesiastiche, con lo scopo di fornire delle indicazioni pratiche da adattare alle singole situazioni locali.
